The fee will be confirmed in Term 2 (approx. \$42). A student's participation in the Annual Concert will be deemed as confirmation that families have agreed to pay the concert participation fee.

## TERM FEE CALCULATION

Term fees are calculated by multiplying the weekly/hourly rate by the number of weeks in the term. Please contact the Caper office if you require any assistance in calculating the term fees.

## ACTIVE & CREATIVE KIDS VOUCHERS

Caper is an Active Kids and Creative Kids Provider and will await further clarification from the NSW Government about proposed changes to this initiative in 2024. The fee policy will be updated in due course.

## TERM INVOICES

Invoices are emailed at the start of each term. Term payments are due before the start of the term. Families who do not receive an invoice are requested to advise the Caper office before the term commences as the due date for invoices still applies if an invoice is not received.

### **WEEKLY PAYMENTS**

Families with fees over \$60.00 per week may pay in regular and equal weekly instalments. Please note that the fees for classes must be paid for on the Monday of each week and should be paid in advance of any classes taken. All additional items, such as costumes, exams must either be paid before the start of term or by their specific due date. Families who qualify for the weekly payment system but do not pay regularly each week will forfeit the opportunity to pay weekly and will be required to pay in full prior to the start of the term. Families who wish to take advantage of this weekly payment option must email [caper@caperonline.com.au](mailto:caper@caperonline.com.au) and complete the corresponding form. Once you have submitted the form, you can commence your weekly payments. The online form is for our record, you will not be contacted individually after submission.

### **ABSENCES**

Fees are a term commitment and invoices are not modified to reflect attendance. This includes absences due to travel, school commitments, illness, injury as well as COVID-19 related absences.

### **COVID-19 FEE POLICY**

Fees will not be reduced for students who are required to isolate due to COVID-19. This is consistent with our pre-existing fee policy where fees are not credited or waived when a student is absent. However, it is being specifically stated so that there can be no confusion.

### **REQUESTS FOR ONLINE CLASSES**

Families cannot request a class to be delivered online in lieu of attendance in person. If a student cannot attend their enrolled class, Caper will not provide the lesson online.

### **CANCELLED CLASSES**

If classes are cancelled in the studio due to an extraordinary health event such as a pandemic or other emergency (black-out, etc), classes may be provided online via Zoom. If so, it is the family's responsibility to ensure that they have downloaded the Zoom App and regularly check the Caper Team App and their emails for details such as Zoom meeting links and passwords.

If classes are cancelled for reasons beyond Caper's control (extreme weather, power outage, etc) the lesson fees will not be refunded. This is due to expenses incurred irrespective of whether the class is cancelled. Please note that fees are not invoiced for lessons that occur on public holidays as classes are not conducted on public holidays. Alternative classes may be offered via Zoom. It is the family's responsibility to ensure that they have downloaded the Zoom App and regularly check the Caper Team App and their emails for details such as Zoom meeting links and passwords.

### **BALLET EXAM STUDENTS**

Holiday Intensives are required in order to prepare students for ballet exams. As a result, fees for the holiday intensives are invoiced regardless of attendance. Participation in the ballet exam program is optional.

### **REPLACEMENT CLASSES**

Replacement classes can be arranged for pre-school students as long as the replacement class has vacancies and the student's fees are up to date. Replacement classes must be redeemed within 3 months of the absence and in the same calendar year. No credits or refunds will be applied if there is no suitable replacement class.
