

Orange Blossom Festival 2024

Our Show Team students have been invited to perform at Rouse Hill Town Centre as part of the Orange Blossom Festival celebrations. The performance includes participating in the street parade then performing on the main stage after the parade. Closer to the date, when we have more details confirmed, we will request participation RSVPs via the App Calendar.

Below is all the information we can confirm for now:

Date: Saturday 21 September 2024

Venue: Rouse Hill Town Centre

Time: At this stage, we expect the time commitment to be 10am until 2pm however this has not been confirmed by the organisers yet.

Parking: As the event draws closer, we may receive information about parking from the organisers. If you do not receive further information from us, please use the car park available at Rouse Hill Town Centre (fees may apply).

Wet Weather: If wet weather prevents the event from taking place, everyone will be notified via the App.

Costumes: Students will wear the same costumes as previous Show Team performances

Class Clashes: We are aware that some students may have a clash between the parade their classes at Caper on Saturday. This can happen at times with the performances we are offered and we wanted to advise that we are unfortunately unable to provide lesson credits for the clash.

Providing opportunities such as the parade increases our expenses as we hire Caper teachers to assist students on the day. The expenses incurred are not passed on to students. Additionally with the class clashes, the teachers who teach those classes are also paid even though the Show Team students are not in attendance. This is because there are students in classes such as tap and ballet (who are not enrolled in Show Team classes) so we still need to provide the class. Or, for the actual Show Team class where no-one may not attend, we are still obligated to pay our teacher for this class and cannot ask the teacher to take an unpaid break during the middle of a shift. We hope you understand the reason it is not feasible to provide class credits. Please note that participation in the parade and performance is optional and students can opt to attend their Saturday classes instead of this performance.
