## Additional Information

### HAIR

Wet hair or use mousse to help with styling the hair. Spray with hairspray at the end and secure the hair accessory correctly.

#### Figure of Eight

- Part the hair down the centre.
- Tie the hair in pigtails with the elastic aligned with the middle of the child's eyebrows.
- Plait the two pigtails and finish off with another elastic.
- Position the plaits and twist/pin to create the figure of eight.
- Pin the hair accessory on top of the plaits.

#### Bun with Twists

- Separate the top half of the hair from the bottom half of the hair
- Make a bun with the bottom half of the hair in line with the top of the head.
- With the remaining hair on top, separate into right and left side.
- Twist each side and connect it to the bun.
- Secure all the hair with a hairnet
- Pin the clips alongside the clips and pin the hair blossom along the top of the bun.

### SHOES

Ballet shoes need to be expertly fitted and a new pair should be purchased for the exam.

Shoes are the students' tool to displaying their technique so the better the fit, the better your child's feet will look. All shoes need to be approved by your ballet teacher. Please do not wear them in class until your teacher has checked your shoes and avoid wearing them too much before in order to maintain the cleanliness. If you have not sewn ribbons or elastics on ballet shoes for exams, please see your ballet teacher for advice.

### PLEASE REMEMBER

- No nail polish, tattoos or any jewelry including earrings and anklets.
- No bras or knickers (It is optional to wear dance briefs in substitute of underwear).
- No make-up (Grade 6 and Intermediate Foundation may have light, natural make-up).
