

COSTUME HIRE

INFORMATION

Caper has a limited stock of costumes made available for hire.

Classes allocated a hired costume will be advised accordingly. There will be a fee payable via a TryBooking link. When the costume is returned, a portion of the fee will be refunded. The sooner the costume is returned, the higher the amount that will be refunded. This is because costumes returned late increase our administration expenses and this is passed on.

The costume will be available for collection from reception 1-2 weeks prior to the performance.

There is no need to provide a size, the sizing will be done when the costumes are handed out.

The costumes should not be laundered or worn for any other purpose than the performance.

Costumes should be returned (unwashed) to Caper reception within 7 days of the performance (excluding school holidays).

HIRE

Each costume is hired for one time use.

BOND

A portion of the hired amount will be refunded upon the return of the costume.

SHOES & TIGHTS

Students are required to provide their own shoes and tights. These items are not available to hire.

CARE

Costumes should be treated with care. Avoid eating or drinking items that could stain the garments easily.

DO NOT WASH

Do not wash, iron or launder the costume.
