

REP TEAM STAGE REHEARSAL AND SHOWCASE

We are getting closer to the first competition for 2026 and cannot wait to see the routines on stage. The students are working hard in class and we think they would benefit from a stage rehearsal. The intent of the rehearsal is staging and blocking and to be familiar with stage entries and exits and formation transitions. Providing this rehearsal will hopefully minimise any possible staging mishaps. We also think students and parents will enjoy the chance to watch some of the routines on stage.

We have selected a date on the long weekend as there are limited options with venue availability. We also need a date as delayed as possible so that the routines can be finished but also with enough time between then and the 21 June performance to allow any final/necessary tweaks.

We appreciate everyone's efforts to attend but understand if there are students who already have other commitments. We ask that you RSVP via the App so we can have an expectation of numbers.

More details are listed below:

- Date: Sunday 7 June
- Venue: Roselea Community Centre
645-671 Pennant Hills Road
Beecroft
- Cost: \$25 per attending student (this will be added to accounts)
- Viewing Options: Each family may have one parent watch each session. Please note that there may not be chairs set up in the hall so the audience might need to stand. The auditorium needs to be quiet for the rehearsals so we appreciate everyone's cooperation.
